

# THE PERFECT DRIVER 370

The Perfect Driver 370 provides the accuracy of your short irons with the distance one would expect from a top-notch driver. The Perfect Driver 370 is shorter than a conventional driver, allowing for more accurate drives off the tee so you can play from the fairway. On average, your drives will be just as far, which will translate into a more aggressive and confident swing. **William Byrne, West Islip, NY:** "The Perfect Driver 370 lives up to its name. I have never hit a driver so accurately in my life."

**Richard Hayes, Apex, NC:** "I now hit the Perfect Driver 370 off the tee, where I used to hit 3-wood, because of the increased distance and control."
